The instant application has been examined.

Claims 9-12,17 and 19 are allowed.

Claims 20-25 are to be cancelled.

The Terminal Disclaimer filed 7-12-05 has been studied.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claims 20-25 remain in the application, nonelected, without traverse in the application. The application is indicated to be allowed, thus,

In The Claims:

Claims 20-25 are cancelled.

2. The following is an examiner's statement of reasons for allowance: The claimed invention is deemed unobvious over the cited art of record, in consideration with the filed Terminal Disclaimer, because such art fail to teach or reasonably suggest the overall aspects of a polymeric twist tie comprising a thermoplastic monofilament having an orientated characteristic produced by stretching a preheated monofilament through a heated volume reducing die wherein said orientated thermoplastic is high density polyethylene material with said high density polyethylene monofilament having a characteristic achieved by
